

# Commemorative Brick Walkway

Memories and Friendships that will last a lifetime...  
We invite you to commemorate the past,  
enhance the present, inspire the future!

## Step Up to the Plate

---

## ***Brick Walkway***

# *A Lasting Legacy*

## ***“Step Up to the Plate”***

Everyone is familiar with this term as it pertains to baseball. This time, *Central Amherst Little League* is asking you to **“Step up to the Plate”** and help pave the way to significant improvements to your ballpark by supporting our fundraising efforts.

C.A.L.L. has installed a beautiful commemorative brick walkway behind the backstop of the Major Diamond. We invite you to become an everlasting part of Central Amherst Little League by having your child’s name, family’s name or the name of your business etched in time at the Central Amherst baseball complex.

### ***Take me out to the Ballpark...***

Our hope is to feature all of the children and families that are now a part of the League, the players and families of years past, all of the players that have yet to become part of our tradition, as well as area businesses that have supported us throughout the years.

We have all enjoyed many wonderful days at our ballpark. We have seen some awesome plays, nurtured skills and carried out the will of teamwork and good sportsmanship. We’ve created memories that will last a lifetime. This permanent walkway will not only serve as a wonderful reminder of the many hours that you have devoted to little league baseball and all that it represents, but is also a beautiful, lifelong enhancement to the Central Amherst Little League complex.

***Please order your brick today!***
